

Welcome to your dental plan

On May 1, 2023, you will be able to register on myuhc.com and access the mobile app.

Your Dental Group # is 1631915

In addition to the card you have received in the mail, you have the option of using a digital card as well.

Your dental plan is designed to help take good care of you – and it includes the convenience of a digital dental ID card.

Your digital dental ID card is available whenever you need it via **myuhc.com®** and the **UnitedHealthcare® app**:

- View or email your card anytime, anywhere on your smartphone
- Enjoy the perk of having one less card to carry in your wallet
- Get your plan info at your fingertips

...but you don't have to show it to get dental care

Your dental office only needs your member number or other identifying personal information to verify that you're a UnitedHealthcare dental member.

Click on the Register button to bring up your registration screen.

You will enter your first name, last name, date of birth and then you can use your Member ID shown on your Dental ID card as well as your Group Number 1631915. If no card received, you can select the Social Security Number option and when prompted, put in the last six digits of your SSN and your five digit zip code.

Then you will set up your username as password.

Below are examples of what your Dental ID card will look like:

Benefits of the Dental Plan other than emergency care are available only when you receive covered services from a participating general dentist. Benefits for covered specialty may be received in either of two ways: (1) You may go directly to a participating specialist with no referral and neceive a 25% reduction off the provider's usual and customary fee; or (2) You may obtain prior written authorization from UHC and receive specialty treatment by an approved participating specialist at the listed copayment. National Select Plans are supported by the Solstice Benefits, Inc. network dentists.
